Review Summary

- The overall school performance is satisfactory with good features and driven by committed leadership and effective planning.
- Students generally demonstrate positive behaviour and participate effectively in a wide range of extracurricular activities.
- The school needs to provide more opportunities for students to develop their leadership roles in lessons.
- Students in Primary School show good progress and development of their learning skills in the majority of lessons, particularly in their mathematics and scientific skills. However, their English writing skills is an area for improvement, particularly in Middle and High Schools. The school needs to further raise students' standards and ensure teachers receive the training that they need with a focus on using learning time more effectively and providing more effective support in Middle and High Schools.
- The school is rated 'Satisfactory' when reviewed and will draft an Action Plan based on the review recommendations.
